

# Membership Application

## Ocean Shores Fresh Waterways Non-Profit Corporation

We would be pleased to have you join us in our efforts to protect and preserve our fresh waterways here in Ocean Shores. Membership fees help support these efforts by allowing us to maintain our equipment, our work boats, purchasing tools (large and small), fuel, rakes, rope, etc., as well as hosting community events.

Annual membership fees are \$30 per household and \$50 for businesses. Any donation above the minimum membership fee is, of course, greatly appreciated, as we are a non-profit 501C all-volunteer organization.

Please send your check, along with this membership application to OSFWC, PO Box 1592, Ocean Shores, WA 98569

As a member, you will receive an email copy of our quarterly newsletter where you will learn what's being done to preserve the water quality of our lakes and canals, how you can take even better care of your own waterfront property, or how you can take an even more active role in helping the entire fresh waterways system here in Ocean Shores.

Thanks for joining our team!
